

Family Scarf in Fi Fi

Patons Fi Fi is a fast to knit chunky yarn, which is great for beginners. This simple pattern produces sophisticated looking results, as the colour twist within the yarn itself gives the finished scarf a stunning flecked appearance.

Using Patons Fi Fi and 10cm needles, cast on 14(**18**, 18) stitches.

1st row: *K1, P1, repeat from * to end.

Repeat 1st row until work measures 100(**120**, 150)cm or length desired.

Cast off. Weave in ends.

Fringe: at both cast on and cast off edges:

Working with 1 strand of each of Merino Magic and Panda Feltable Wool together cut 2 strands of yarn twice the desired length for the finished fringe.

Keeping strands together, fold yarn in half and draw the loop through stitch at the end of the scarf. Use a crochet hook to pull ends through the loop and tighten. Repeat this process along both ends of the scarf.
