

Jazzy Dish Cloth

Reduce landfill by crafting these reusable extra large dish cloths. Soft cotton cloths are a real treat to use every day. Unlike disposable cloths, when these get a little dirty, simply run them through the washing machine and hang on the washing line to sanitise and reuse for years to come.

You'll get 2 dish cloths from the 3 balls of yarn.

Size: 30cm X 30cm

Tension: 23sts to 10cm using 3.75mm needles

Moss stitch pattern - *K1, P1, rep from * to end of row. This row sets pattern (moss stitch). Work in moss stitch throughout.
